INVENTMENT—A legitimate proposition of worth
that answers a world-cry or big demand and
which is rapidly forging to the front; shrewd
investments make fortunes; opportunity, prevision and money to invest brought wealth to
the initial investors in Mergenthaler, Bell Telephone. Westinghouse Air Brake; we have a
proposition that presents as interesting and remarkable a claim for attention as any of the
above epoch-making inventions; the proposition
is built on the sturdy foundation of broad, dominsting patient claims already allowed, while
actual daily operation demonstrates its practical merit; if you have the time and inclination
to investigate, the judgment to determine its
soundness, the money and nerve to invest, the
opportunity to receive large returns from a
small investment awaits you; we are ready to
submit full particulars to any one with \$100 or
more to invest; this is your chance; act wisely
